COMPANY PROFILE 公司简介

Guangzhou Kingkady Household Products Co., Ltd., as a subsidiary of J & Y Group's household products division, is a professional manufacturer of memory foam pillows. Our company was founded in 2010 and currently has over 200 employees, including a R&D team of more than 20 engineers. The factory covers an area of 20000m² and produces 3 million pillows annually. The main products include adult sleep pillows, baby pillows, travel pillows, lumbar and seat cushions, leg cushions, and various electronic smart pillows. All products are using imported BASF raw materials, with superior product quality and safety. All products can pass chemical tests such as Reach and Rohs, and the factory also has certificates such as OEKO-TEX standard 100, SGS, BSCI, ISO9001, CertiPUR-US, etc. The product sells well in Europe, North America, Southeast Asia, and China. At present, the company's own patented styles account for 50%, while the other 50% are ODM patented styles from customers. Our company can provide customers with the most professional OEM and ODM services.
